2nd European Motorcycling Senior Activity Conference

"Extending the riding age"

In the Conference there will be dealt topics particularly relevant, in order to offer to the over 60 riders the opportunity to carry on also many further years of activity, in the best possible conditions.

With this aim, there will be foreseen reports by professionals and experts of the sector on the following themes:

* **disease prevention and management**
* **health care promotion**
* **food and fitness**
* **mental health**

Ask for the Forms to the FIM Europe General Secretariat, choose your preferred Hotel and send the reservation form to the same Hotel.
