You can donate € 10 to the association you are a member of, have good ties with or ride frequently with. They use this contribution for the circuit, among other things. If you had a District Licence at a club in 2015 or the Basic Sports Licence 2016, you will see this club listed. If you want to donate the €10 to this club, click on it. If you wish to donate the contribution to a different club, select the overview of all associations.

- Select the desired branch(es) of sport.
- Select your/a club.

Take note! The KNMV Basic Sports Licence is valid for training sessions for motocross, speedway, trial, mini bikes and scooter races. The licence for club competitions is only valid if the correct branch of motor sports is stated on the licence. If you want to participate in motocross and the grass track at club competitions, then you must apply for a licence for both sports.

The charge for a second branch of sport is €5. Therefore, you pay a total of € 65.
